6th Edition of International Conference on
Infectious Diseases
June 07-09
London, UK **2018**

Infectious diseases 2018

<http://infectious-diseases.euroscicon.com/>

Day 1, Agenda

General Session

08:00 AM

INTRODUCTION

09:00 AM

PLENARY

10:00 AM

KEYNOTE

Networking & Refreshments
Break @ Foyer

HALL 01

HALL 02

HALL 03

11:00 AM

Talks On:
Infectious Diseases

Talks On:
Veterinary Infectious
Diseases

Talks On:
Pediatric Infectious Diseases

Talks On:
Respiratory And Pulmonary
Infectious Diseases

Talks On:
Infection And Immune
System

Talks On:
Zika/Ebola Viruses

SESSION DISCUSSION

SESSION DISCUSSION

SESSION DISCUSSION

02:00 PM

Panel Over:
Infectious Diseases
Epidemiology

Panel Over:
Diseases Of Reproductive
Organs And Sexually
Transmitted Diseases

Panel Over:
Molecular Bacteriology
Infection

Workshop On:
Infectious/ Plant Disease
Modeling

Workshop On:
Immunology Of Resistances

Workshop On:
Vaccine And Vaccination

Lunch Break @ Restaurant

Lunch Break @ Restaurant

Lunch Break @ Restaurant

04:00 PM

Talks On:
Problems In Infectious Disease
Practice

Talks On:
Communicable/Non-
Communicable Diseases

Talks On:
Prevention Of Methicillin-
Resistant S Aureus(MRSA)

Lectures on:
Diagnosis, Management
And Treatment Of Infectious
Diseases

Lectures on:
Vaccines/Preventive Vaccine
For Infectious Diseases

Lectures on:
Prevention And Control
Of Infectious Disease And
Contagious Diseases

06:00 PM

Session On:
Infection Prevention And Control
Guidelines

Session On:
Preventing And Controlling Viral
Hepatitis

Session On:
Veterinary Infectious Diseases

Networking & Refreshments
Break @ Foyer

HALL 01

HALL 02

HALL 03

11:00 AM

Talks On:

Global Eradication Of Diseases

Talks On:

Neurological infectious disease

Talks On:

Blood Stream Infections/
Bacteraemia/ Septicaemia/
Blood Poisoning

Talks On:

Acute Rheumatic Fever (ARF)
and Rheumatic Heart Disease
(RHD)

Talks On:

Noscomial Infections/Health
Care Associated Infections

Talks On:

Tuberculosis

SESSION DISCUSSION

SESSION DISCUSSION

SESSION DISCUSSION

02:00 PM

Panel Over:

Outbreaks of gastrointestinal infections

Panel Over:

Prevention of Bocavirus Infection

Panel Over:

Urinary Tract Infection

Workshop On:

Shiga Toxigenic Escherichia coli
Infection/ Haemolytic Uraemic
Syndrome

Workshop On:

Diseases Of Reproductive
Organs And Sexually
Transmitted Diseases

Workshop On:

Veterinary Infectious Diseases

Lunch Break @ Restaurant

PLAN A TRIP TO LONDON: DESTINATION OF INFECTIOUS DISEASES 2018

London, the capital of England and UK, it could be 21st-century city with history stretching back to Roman times. At its center stand the imposing Houses of Parliament, the iconic 'Big Ben' clock tower and Westminster Abbey, site of British monarch coronations on other side of Thames River, from London Eye we can see panoramic views of the South Bank cultural complex and the entire city. London is not a city in the sense that the word applies in the United Kingdom, that of having city status granted by the Crown

EXPLORE THIS EMBODIMENT TOURIST HERITAGE

London, city with history stretching back to Roman times. At its center stand the imposing Houses of Parliament visiting once in a lifetime

City Attractions

British Museum

Buckingham palace

Saint Paul Cathedral

London Eye
